(b) the number of new ITIs proposed to be established in addition to the upgradation of existing ones during the tenth Five Year Plan ?

Answer

MINISTER OF LABOUR AND EMPLOPYMENT(SHRI K. CHANDRASEKHAR RAO)

(a) A Centrally Sponsored Scheme has been taken up for upgradation of 100 Industrial Training Institutes (ITIs) in the 1st phase. The number of proposals received from State/ UT Governments for upgradation of ITIs and the number of ITIs allocated for upgradation to each State/ UT is annexed. The State-wise allocation of number of ITIs has been done in proportion to the number of government ITIs in 26 States/UTs (excluding North-Eastern States, Sikkim and Jammu & Kashmir for which there is another Centrally Sponsored Scheme) with marginal adjustments so as to cover at least one ITI in each State/UT.

(b) New ITIs are established either by State Governments or by private sector. However, a special Centrally Sponsored Scheme has been taken up for establishment of 23 new ITIs in the North-Eastern States, Sikkim and Jammu & Kashmir in addition to upgradation of 71 existing ITIs in these States during the Tenth Five Year Plan.
